- Official title: Convention Abolishing the Requirement of Legalization for Foreign Public Documents
- For information about Apostille authorities for each country: www.hcch.net → Members & Parties → HCCH Members
- Korean high school graduates are exempt from Apostille requirements; however, they must submit original documents for enrollment certificates, (expected) graduation certificates, and transcripts.

1. Applicants from Member Countries

- Apostille-required documents: enrollment certificates, (expected) high school graduation certificates, and transcripts
- Issuing authority: designated institution by the respective country's government
- Submission procedures: obtain an "Apostille Verification Certificate" for the above-mentioned documents from the designated institution in the respective country.
 - ※ The Apostille Verification Certificate can be substituted with consular authentication by the Korean Embassy or Consulate in the respective country.

2. Applicants from Non-Member Countries

- Consular authentication required document: enrollment certificates, (expected) high school graduation certificates, and transcripts
- Issuing authority: Korean Embassy/Consulate in the respective country
- Submission procedures: obtain an "Consular Authentication" for the above-mentioned documents from the Korean Embassy or Consulate in the respective country.
